# We are Thinking Ahead for 2020-2021 Enrollment Opportunities!

If the demand in our community warrants, we want to take a proactive approach to offer different combinations of days for certain classes. By offering different day combinations, we can keep fewer students off our waitlist and accept more students into our program.

## Here's how it works:

**Bunnies and Monkeys:** Please rank below (1<sup>ST</sup>, 2<sup>ND</sup>) which day combination fits your family's schedule. These two classes are a 2-day class.

**Bears and Tigers:** Please rank below (1<sup>ST</sup>, 2<sup>ND</sup>, 3<sup>RD</sup>, 4<sup>TH</sup>) which day combination fits your family's schedule. These two classes are a 3-day class.

Please note this form will **only** be used in the event of an influx of additional students. If that happens, we want to be ready to build our class rosters in April 2020 by using your preferences noted on this form.

We will communicate to our families if we flex our enrollment by May 2020. Your child will be assigned their days in the order you were time stamped on or after Dec. 2, 2019.

Thank you for your support!
