Dear Preschool Families~

We start our Lenten journey on Wednesday, February 26—Ash Wednesday marks the beginning of our intentional journey of spiritual renewal as we prepare for Easter on April 12. In the coming weeks, we get to share with your child the deep Love that God has for each of them through the miracles of Christ's life, ministry and resurrection. This part of our ministry is the most rewarding, sharing the Word of God with your precious child.

I am frequently asked how Pre-K class selection is determined for the Bear's Teacher Diane and Tiger's Teacher Sandie. In short, these teachers will wait to select their students' Pre-K teachers until after Mother's day. They want your child to keep developing as long as possible before they place them with the right Pre-K teaching team that will help them be prepared for Kindergarten. They also take in account the personalities of other children in the class while balancing genders.

We have a few remaining openings for the 2020-2021 in the Monkey and PreK classes. Please pass the word! I would love to speak to your friends and have them take a tour. Plus there's a little treat for you too!

The staff and I are humbled by all of your positive comments and referrals to your friends, neighbors, and new families about our preschool program. **You are our greatest testimonials that keeps our classrooms full.** Thank you just does not seem like a strong enough word to express what the staff and I feel...but know we are deeply touched. We love our jobs because of YOU!

Happy Spring to you and your families.

Blessings and Love, Kathryn and your Incredibly Talented and Devoted Staff
