

PPE for In-person Learning

(current as of January 2021)

We are plan on making the following PPE enhancements to our existing program procedures that meet or exceed the recommended best practices that have arisen out of our conversations with educational and health officials. Every procedure is created and executed to the best of our abilities given both the physical and intrinsic nature of this campus and people within our Preschool and Faith Church community.

These include but are not limited to the following:

- + Wearing of masks is mandatory of children two and older as well as staff.
- + Social distancing of our students and staff in and out of the classrooms and spaces.
- + Maintaining hand sanitizer stations for the Sanctuary and in Wesley building classrooms
- + Intensive, regular cleaning and all spaces used by the Preschool including common area rest rooms
- + Staff and family's wellness screenings each morning before work and arriving at Preschool including Wellness/temperature checks of all staff and students upon arrival
 - 10 day quarantined if your child or family member was infected or exposed to COVID-19. May return to campus if completely symptom free or with a negative test result.
- + Staggering the arrival and dismissal times of classes so that only one class is being picked up or dropped of at a time
- + Arranging the recess schedule to limit the number of classes interacting on both inside and outside recess
- + Continuing our regular hand washing and hand sanitizer routines.
- + Installing a plastic divider between the sinks in the lady's restroom in the Sanctuary building
 - Bathrooms will be assigned to a particular class in order to minimize risk.
- + Rearranging classroom furniture to increase space between student desks/tables when possible
- + Specialists: Currently we offer Chapel Time with Music and that stays remotely. No JJJ offered this year.
- + Encouraging the use of outside areas as often as possible and as weather allows.
- + Each class offered is a closed system – only those students, teachers and substitute teachers can be in that classrooms. With an assigned substitute teacher.
- + Smaller Class Sizes:
Current numbers and room configurations are subject to change due to changes from the medical authorities, UMC approval, enrollment numbers and staffing.
 - Westly building classroom is 5 students to 1 teacher or capacity of 20 students.
 - Bunny/Monkey classes is 5 – 6 students w/ 1 teacher using the Bunny & Choir rooms or a capacity of 10 – 12 students.
 - Bear/Tiger classes is 5 – 6 students w/1 teacher using the Monkey & Tiger rooms or a capacity of 10 -12 students.
(Teachers = 1 in each classroom space.)
- + Classroom supplies, Specialist and recess resources/equipment will be divided up for each class to limit cross-contamination
- + Prohibiting parents and outside providers from entering the school building
- + Suspending all field trips and large group gatherings
