

OUR PHILOSOPHY & PROGRAM

Our theme-based program emphasizes building social skills by celebrating our uniqueness and diversity through our shared experiences. We foster each child's self-esteem while developing their natural creativity through reading, science, music, art, math, structured and informal play. We give your child many opportunities to play and explore in a loving and nurturing Christian environment.

ITBP Curriculum – Our structured theme-based curriculum is connected to the topic we are studying within all skill areas.

- center time
- sensory
- crafts
- music
- circle time
- gross and fine motor skills
- active play
- Learning Without Tears
- Theme-based field trips for all classes

All our teachers are WA State MERIT Certified.

Student to Teacher Ratio is 2 teachers per age of class. Set by WA State Department of Children Youth & Families.
