

Social Media and Photo Release

ITBP uses social media to advertise and share our preschool with parents and the community. In addition to social media, we also use pictures of students and teachers for our office and class newsletters, memory books, classroom emails, preschool website, and Faith Church social media.

If you **do not** wish to give permission for your child to be included in any of the above-mentioned mediums for ITBP and FC, please check the following box and return this form to the preschool office.

You **do not need to return this** form if you wish to allow your child to participate.

I do NOT wish for my student to be included in any social media nor do I wish for him/her to be photographed and/or videotaped.
